assessment questions

Looking back over Personal Mastery

- How did I begin?
- What was my dominant energy?
- What was the most important lesson I learned?
- What were my biggest epiphanies?

Where am I Now?

- Is there anything I need to clean up entering this new "home?"
- What am I most proud of?
- What do I wish I could have done with more grace?

Moving Forward

- What commitment do I need to make to myself?
- What commitment do I need to make to the community?
- Am I willing to live in 24 hour compartments?
- Can I accept that everyone is in a learning mode and no one is going to do this " perfectly" or the " way I want it?"
- Can I commit to using my journals for my story telling and the FB classroom to share my insights?
