

MODULE 5

# Energy and Others

# Key Learning Points

## Getting to Neutral

- *Like the laws last week, when you approach an Oracle they will mirror where you're at and not necessarily where you want to go*

---
- *They will reflect the experience that you're having and not necessarily answer the question you're asking*

---
- *This is called Oracle Override; Why is my Oracle saying this to me.*

---
- *We address this by tracking our dominant energy with the questions from last week as well as learning how to get neutral.*

---
- *In ancient times, people would create ritual and structure prior to consulting the Oracle.*

---
- *It's about more than pulling your cards out at Mickey D's.*

---
- *We need to get to a place of of the neutral observer which is a mindset of curiosity, reverence, and openness without the restrictions of the projected memory (unrestricted).*
  - ◇ *Sublimation of Self*
  - ◇ *We need our unique qualities*
  - ◇ *However, when we rely ONLY on our own experiences and knowledge, we may not see the magic.*

# Key Learning Points

## What is the Dominant energy?

- *What is the energy you are most bringing to the table that could cause a glitch in your reading?*
  - ◇ *Attachment to an outcome*
  - ◇ *Frustration*
  - ◇ *Over-identification with the question*
  - ◇ *Hidden influences*
  - ◇ *Past*
  - ◇ *Someone else's energy/empath*
  - ◇ *Energy of things you've seen on the news or elsewhere*

---
- *The dominant energy may cause the oracle to give you a message to get you back in balance rather than a response for the question.*

---
- *When reading for others, you can often project your stuff onto the reading for them. This can aid or detract from your reading.*

# Key Learning Points

## Working with Others for first time

- *Who is this person?*  
\_\_\_\_\_
- *What have they gone through?*  
\_\_\_\_\_
- *What is their frequency?*  
\_\_\_\_\_
- *Do with someone you don't know*  
\_\_\_\_\_
- *Best way for you to get a win is to tell a person where they're at now and where they've come from.*  
\_\_\_\_\_
- *Once you've received your reading, you can share it on FB if you'd like as to how it was for you to receive it.*  
\_\_\_\_\_
- *Also, share what it was like to give the reading, being respectful of the privacy of the person you read.*
